

MISSION

Our Core Purpose - Why We Exist

We are a worldwide community of professionals who drive business to individuals who work with companies to increase enterprise value, preserve equity, manage disruption, and drive significantly improved results.

VISION

Our Future - Where We Are Headed

TMA members will be universally recognized for their expertise, knowledge, and experience. In our future, companies turn first to a TMA member to help them achieve their goals.

WHO WE ARE

TMA is a community of professionals who work with companies to improve performance, manage disruption, restructure, work through insolvency, preserve equity, and drive significantly improved results.

TMA VALUE PROPOSITION

Through TMA, members acquire access to new opportunities that lead to new business and gain the knowledge and expertise they need to succeed.

OUR CORE VALUES - What We Stand For

The following core values reflects what is truly important to us as an organization:

Driving Business: Be the go-to source for industry networking opportunities.

Chapter-Centric: Ensure an active, vibrant, and consistent chapter experience.

Focus on Members: Create an inclusive community of engaged and diverse members who span varying professions, geographies, career stages, and deal sizes to achieve their goals.

Industry Expertise: Attract, represent, and develop industry experts through certification and professional development.

Knowledgeable and Professional: Be the central point for the exchange of timely market intelligence, business insights, and practice knowledge.

Inclusion: Maintain and enhance a multidisciplinary community of professionals and thought leaders. Create a culture of heightened interdisciplinary cooperation to help companies achieve their goals.
