2. Your client, Mr Alan van der Westhuizen, has been making enquiries in relation to the purchase of the liquor license for the abovementioned premises, which license is the property of the close corporation.
 3. We advise that the close corporation's liquidation is scheduled to serve before the Gauteng Division, Pretoria, on 03 October 2016. Should the close corporation be liquidated the liquor license will lapse.
- It is, accordingly, of paramount importance and a matter of extreme urgency that, should your client be interested in acquiring the license, that this matter be resolved expeditiously. We are instructed that, at the moment, liquidation of the close corporation appears to be inevitable.
5. Kindly advise whether your client or the new franchisee is indeed interested in acquiring the liquor license and, if it is indeed so whether you intend to engage our client in negotiations to obtain the said license.
 6. Your acknowledgement and response per return is requested as a matter of urgency.

Yours faithfully,

MR R C KRAUSE
